Group:

Attorney Docket #.: 3437

In re:

Applicant(s): KRAENZLER, E., et al

Serial No.: 10/564,668

Filed: 01/13/2006

For: TOOL HOLDING DEVICE

**RENEWED REQUEST FOR STATUS UNDER 37 CFR 1.42,
37 CFR 1.47(a) AND 37 CFR 1.497(b)**

June 21, 2007

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Attention: Bryan Lin, PCT Legal Examiner
PCT Legal Office

Reference is made to the Decision on Petition dated April 30, 2007.

Applicant also refers to the subsequent telephone conference with the
Petition's Examiner.

With respect to the Petition for Status Under 37 CFR 1.42 applicant
wishes to note that in fact the declaration executed by the available inventors includes
the following statement on its first page:

"Each of us on our own behalf and on the behalf of the deceased inventor, Markus Heckmann, and his legal representative, Kersten Heckmann, residing at and whose postal address is Joh.-Seb.-Bach-Strasse 34, D-70771 Leinfelden-Echterdingen, Germany, a citizen of Germany."

Accordingly, it is believed that in fact the Declaration does satisfy the requirements of 37 CFR 1.42 and accordingly this section of the Petition should be found to be sufficient.

As to the Petition under 37 CFR 1.47(a), it is noted that the requisite \$200.00 Petition fee will be charged to Deposit Account No. 19-4675 and that the Petition states the last known address of the legal representative.

It is noted that the Petition adequately demonstrates that a bonafide attempt was made to present a copy of the application to Kersten Heckmann for signature. However, the Petition notes that applicant has failed to sufficiently illustrate that Kersten Heckmann refuses to sign. It has been noted that if Petitioner can establish that Kersten Heckmann resided at the delivery address at the time the correspondence was delivered, her failure to respond to the letter would constitute a constructive refusal to sign. Applicant now submits herewith a Federal Express receipt for a communication mailed to Kersten Heckmann with regard to another patent application in June, 2007. The document was mailed to Kersten Heckmann at her address of record in the Petition which indicates that as of June 2007 Kersten Heckmann was still residing at the address given on the document she signed on September 19, 2005 when she disclaimed the inheritance of her deceased husband.

Since Kersten Heckmann resided at the address of record in September 2005 and the same address in June 2007, it can reasonably be assumed that she also resided there on August 29, 2006. Accordingly, it is believed that this requirement has been met.

With regard to the Petition under 37 CFR 1.497(b) it is noted that the requisite processing fee will be charged to the deposit account of the undersigned 19-4675 and that the requisite statements signed by the inventors have been provided.

However, it has been noted that no written consent of the assignee appears. This was an oversight and the written consent of the assignee is now attached hereto.

In view of all of the foregoing, acceptance of the renewed Petition is now respectfully requested.

Respectfully submitted,
/ Michael J. Striker /
